DECLARATION

I, Tazwell L. Anderson, Jr., a citizen of the United States of America, residing at 3690 Northside Drive, Atlanta, GA 30305, hereby declare that:

1. I am one of three inventors of the invention claimed in the above-identified Patent Application.

2. The invention described and claimed in the above identified Patent Application relates to a handheld device for displaying images and producing sounds based on processed video and/or audio signals at an event.

3. There is at least one infringing product that is being used in the market which infringes the claims of the above identified patent application. Such product also infringes the methods claimed in the above identified patent application.

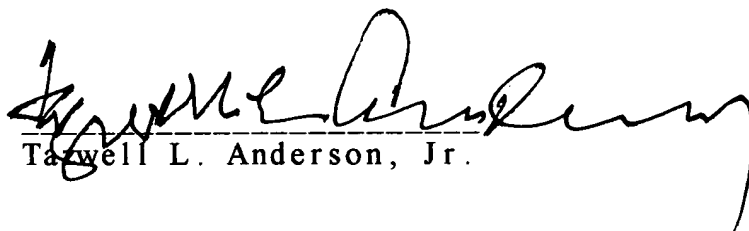

4. The invention described and claimed in the above identified Patent Application has been rigidly compared to the infringing device, and, in my opinion, some or all of

the claims of the above identified Patent Application are unquestionably being infringed.

5. The undersigned has a good knowledge of the pertinent prior art, results of which are transmitted herewith.

6. The undersigned inventor declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
